FOURTH OF JULY PARADE & PICNIC

The 19th annual Camelot Village Fourth of July Parade & Picnic was another fun and patriotic event. We appreciate everyone who participated in the parade, picnic, and of course, the famous raffle!

Sincere thanks for our awesome **Tempe fire fighters** for once again bringing up the rear of the parade and to all of the **Boy Scout troops** who not only marched in the parade, but also helped clean-up at the end. Also, a big thank you to **Living Faith Anglican Church** for offering free sno-cones.

We would also like to thank our merchant “neighbors” who generously donated to this year’s raffle including: **A & B Barbers, B&B Pools, Changing Hands Bookstore, God’s Garden Treasures, Oasis Automotive Services, Sacred Pi, VinciTorio’s and Word of Mouth BBQ.**

See you all next year as we celebrate 20 in 2020!

ANNUAL HALLOWEEN/G.A.I.N. PARTY

Saturday, Oct. 26, 4 - 6 p.m.

Getting Arizona Involved in Neighborhoods (G.A.I.N.) is an annual October event that takes place throughout Arizona neighborhoods, and Camelot Village combines G.A.I.N. with a Halloween-themed party at **Stroud Park** for our neighborhood children.

To volunteer, or for more information, please contact Sid Frede at sid.frede@cox.net.

SLiPP - SERVICE LINE PROTECTION PROGRAM

"Water line and sewer repairs can be extremely expensive. Here is a City program to help with those unexpected repairs. I have used this program before, and it saved me almost \$3,000!" - Sid Frede

For a low monthly fee, SLiPP provides homeowners with financial assistance for costly water and sewer line repairs.

Eligibility

Owners of single-family, owner-occupied homes in Tempe are eligible to enroll.

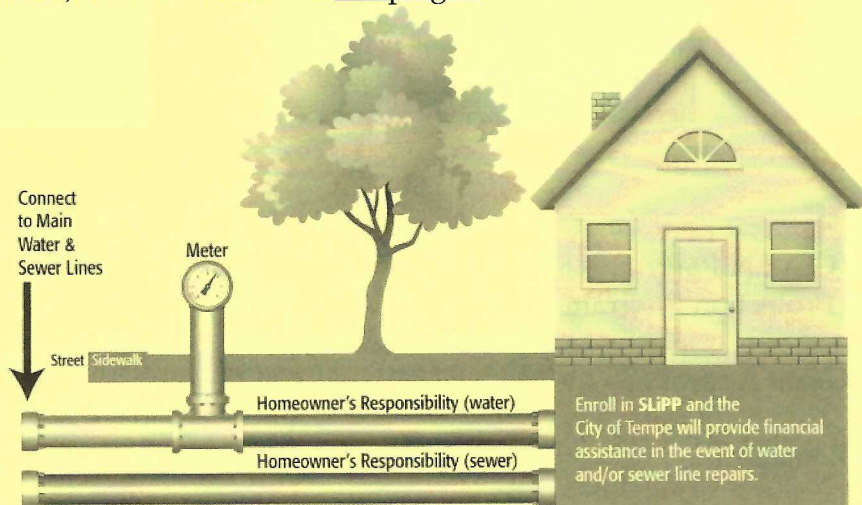

Fees

- Monthly fee \$12/month included in monthly water/wastewater utility bill.
- Enrollment fee \$12 one-time administrative fee for program enrollment.

Coverage

SLiPP covers necessary repair or replacement costs of up to \$5,000 per 12-month period for the water line and up to \$5,000 per 12-month period for the sewer line. Costs in excess of \$5,000 or otherwise not eligible for payment or reimbursement under the SLiPP Terms & Conditions will be the responsibility of the homeowner.

For more information, search "SLiPP" at tempe.gov.

ADOPT A CANAL

Camelot Village has adopted the Western Canal near Stroud Park as a community project.

Stroud Park is heavily used and the canal path is a showcase for Tempe and our community. Once per quarter, neighborhood volunteers meet to pick up trash, pull weeds, rake plant debris, etc. Neighbors met July 27 at 6:15 a.m. to do a quick clean up before the heat of the day.

We're looking for more neighbors to assist, so please watch for the next notice and join us in this community effort.

MARY ANNE CORDER GRANT APPROVED

Camelot Village applied for and received a Mary Anne Corder Neighborhood Grant. Funds will provide a multiuse table like the one pictured at the right. Its color will match the existing tables and benches, it will be ADA accessible and will be installed in the shade near the BBQ area. It will function as a multipurpose chess/checker/picnic/card table, etc.

BASIC FRAME - INGROUND

Outdoor Game Tables are a hit in any setting - be it checkers, chess or your pick. This unit is our Signature Series Square ADA Accessible Basic Frame 3' x 3' Seat Inground table. It includes a POWDER-COATED checker board insert that you can choose any two colors for the insert and the checkers. The remainder of the table top and seats are PLASTIC coated. All framework is coated in our AAMA 2604-06 compliant powder-coating. Select either our DIAMOND or PERFORATED pattern.

Size: 48" Square game table - Inground - 3' seat

WATERSMART

The City of Tempe's WaterSmart online water use portal is part of the city's commitment to provide customers with the best tools to increase awareness of water use, inspire conservation and save money.

Once signed-up, the portal provides:

- Hourly water usage
- Comparison to similar households
- Leak alerts
- Check and resolve leak module
- High usage or bill notifications
- Bill explainer
- Comparisons to previous years
- Interactive water-saving tips

For more information and to sign-up, search "WaterSmart" at tempe.gov.

NEIGHBORHOOD BLOCK WATCH

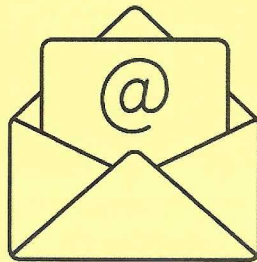

No one person or law enforcement agency can be aware of every situation that occurs in a neighborhood at all times. That is why neighbors are the best defense against crime.

Neighborhood watch is a cooperative effort between your individual neighborhood and the Tempe Police Department. Each neighborhood elects a block captain who coordinates information in their neighborhood and acts as a liaison with the police. The program encourages neighbors to get to know each other and to protect themselves from criminal activity. Once a neighborhood has filled the needed Neighborhood Watch requirements, then watch signs will be posted in your neighborhood to recognize your accomplishment and to show that you actively work with the police.

To become a block captain, contact Sid Frede at sid.frede@cox.net.

EMAIL UPDATES

Camelot Village Neighborhood Association periodically sends email updates containing items of interest to our community. If you are not currently receiving updates, please sign up at camelotvillage.org.
